

**Give us two hours and we'll give you
leadership tips, new business connections
and a free breakfast, all before normal office
hours!**

Ku-ring-gai Council and [Wahroonga Rotary](#) invite you to join
our free leadership breakfast on 13th August at Warrawee
Function Centre.

**[Register now](#) for the chance to learn how to be a successful
leader, make new (and possibly profitable business connections)
and have a free light breakfast.**

About the event...

Event title: Leaders Digest - grow your leadership skills to significantly improve your
business

When: Thursday 13 August, 6.45am for 7am until 9am

Where: Warrawee Bowling Club and Function Centre, 1479 Pacific Hwy, Warrawee

Speaker: Jeremy Carter, Rapport Leadership International

What's it about?

Leadership - being a better leader never fails to deliver significant improvements in both revenue
and profit - learn how for you, your team, your clients and your community.

Why you should invest your time to attend

In return for two hours of your time, you'll be given:

- the secrets of being a successful leader by an international award winning business coach,
trainer and consultant.
- a chance to network with your local business peers
- a light breakfast

What you'll get out of attending

- You will leave feeling inspired with practical leadership tips to apply to improve your
performance and that of your colleagues and business
- New business connections and leads

More about your speaker

Jeremy Carter is leadership specialist, international business coach, trainer and consultant. People
who have worked with Jeremy have said:

*'Jeremy is one of a kind, a truly inspirational figure who gives incredible leadership talks and
really engages a room.'*

*'He presents with great energy, intelligence, coolness and in a way that gives you amazing
confidence in what he does.'*

*'I am seeing improved results in my business, my confidence levels are higher than ever
before.'*

'The take ways were applicable to all in attendance'

Jeremy knows that growing the leadership skills of the business owner, executive managers and even
junior employees never fails to deliver significant improvements in both revenue and profit. He will
show that great leadership can be learned and how you can become a more effective leader.
